

MAILBOX POLICY

A mailbox installation that conforms to the following criteria will be considered acceptable unless in the judgment of the Chambers County Commissioners Court, the installation interferes with the safety of the traveling public or the function, maintenance or operation of the County roadway system.

- For roadways having a Speed Limit greater than 40 MPH, the face of the mailbox must be set back a minimum of 3 feet from the edge of the pavement and must be mounted on a break-a-way post conforming to the standards adopted by the Texas Department of Transportation (TxDOT).
- For roadways without curbs and having a Speed Limit of 40 MPH or less, the face of the mailbox must be set back a minimum of 3 feet from the edge of the pavement.
- For roadways with curbs and having a Speed Limit of 40 MPH or less, the face of the mailbox must be set back a minimum of 6-inches from the back of the curb.
