I _____ hereby certify that I am a registered _____
(Name) (Architect, Engineer, ICC-CBO)

in the State of Texas, internationally in the case of ICC-CBO. To the best of my knowledge, information and belief, the above named project was completed in general conformance to the plans and specifications, and in my professional opinion is in compliance with the Chambers County Fire Code and is ready for Final Inspection by the Fire Code Official. The Chambers County Fire Code shall include the International Fire Code 2015, International Building Code 2015, and any other codes and standards they reference, including National Electric Code.

Seal of Registered Architect/Engineer

Signature Date

1. If the building has a fire alarm and/or fire suppression system, completed installation/inspection forms must be submitted with this form.
2. If the building is not completely fire code compliant, it may not be occupied until items are corrected, or a conditional certificate is issued. Failure to comply with this provision may result in civil and/or criminal penalties. Ref. Local Government Code Ch. 233.064(i).
