Applicable Standards

1. Fire Code: IFC 2015 & Chambers County Fire Code Amendments
Building Code: IBC 2015
2. A building permit will not be granted for commercial buildings, public buildings, or multi-family dwellings of four or more units until this document is completed and signed by the County Fire Marshal, and applicable fees are paid.
3. Once construction is complete, a request for final inspection must be made to the Fire Marshal and a Certificate of Compliance/Occupancy must be granted in order to occupy the building.

Please complete the section below and indicate plan page numbers where applicable.

Construction/Design IBC 2015

Occ. Classification(s) (Ch. 3):	Occ. Load(s) (1004):
Construction type (Ch. 6):	Number of Stories:
