

Press Release

New Chambers County Health Services Building

Open House, Tuesday, January 23, 2018 from 10:00am until 2:00pm

The Chambers County Health Services building opened its doors for business on Monday, December 18, 2017. This is a project several years in the making, and is one that will proudly serve the citizens of Chambers County and County Employees. The Health Services building was paid for by the Health Service Sales Tax funds, which also funds various health related services within the county including Fire and EMS. The Health Services Building houses most health related departments within the county to better serve the needs of residents, as well as allow for continuity of care for many residents using multiple services. Those departments include:

- Health Department
- Wellness Center
- Indigent Health Care
- WIC
- Emergency Management
- Fire Marshal
- Public Health Emergency Preparedness
- Commissioner Precinct 2 - Larry George
- Economic Development

The Health Services Building, located at 102 Airport Road, Anahuac, will host an Open House on Tuesday, January 23, 2018 from 10:00 am until 2:00 pm. We invite you to come tour the building, and see what services you might qualify for through the Health Department, WIC, and Indigent Health Care. You can visit the Chambers County Website, www.co.chambers.tx.us for more information on each department.
