Advisement and direction from parents and adult leaders is both permissible and encouraged, however, exhibitors must be mature enough to provide proper and adequate care for their own.

Rules Interpretation

The CCYPS Livestock Committee reserves the final and absolute right interpret these and all following rules. Should there be any question about the interpretation of a rule, a decision about that rule can be made by the division chairman or by a quorum of the voting members of that committee. This interpretation will take precedence for the duration of the show, until a formal meeting can be held to determine permanent interpretation.

Please note: There are 11 voting-eligible committees. Both the Vice Chairman and Secretary of the Livestock Committee also have the right to vote. The Chairman of the Committee will vote only in the event of a tie. A quorum is considered to be seven affirmative votes.

Livestock General Rules and Regulations

All exhibitors are subject to the General Rules and Regulations and the Livestock Division Regulations of the CCYPS. Exhibitors are responsible for reading through and abiding by the following rules.

1. The CCYPS is open to all youth whose main residence is Chambers County and who have not graduated from the 12th grade.
2. Exhibitors of small animals (goats, lambs, swine, poultry, rabbits and turkeys) must be 5-years-old as of show date to enter their project. Exhibitors of large animals (cattle) must be 8-years-old as of show date to enter their project.
3. All exhibitors in grades 3 through 12 must be members of and exhibit their projects under 4-H, Junior FFA or FFA. Only exhibitors between the ages of 5-years-old and the completion of the second grade may exhibit their projects as Independents.
4. It is the exhibitor's responsibility to review the Important Deadlines page and to ensure that their entries are submitted no later than the correct date and time. It is also the responsibility of the exhibitor to ensure that they follow each of the rules laid out in this Livestock Rulebook.
5. All entries must be exhibited as entered. No change of ownership will be permitted after the entry deadline.
6. Animals may be family-tagged within the same division. The child who will be exhibiting the animal during the show must be designated at Check In. To family-tag, the number of animals tagged-in must equal the number of exhibitors – i.e. two children must tag in at least two animals in the same division. There must be a separate entry for each exhibitor. Please note: Chambers County Steers and Commercial Steers are two separate divisions.
7. Exhibitors who were awarded either scramble or hard-luck sponsorships may tag in two animals in the division which they choose to enter their scramble project but MUST turn in a scramble report (with correct ear tag number) for BOTH animals. This means that, for example, if a scramble plans to show a lamb, they may tag in two lambs but must turn in two scramble reports – one for each animal. The exhibitor must designate the animal which they plan to show at the time of tag in.
8. Animals are not permitted to have out of state show tags at the time of Tag In.
9. The scales used during Check In are official and are certified by the Texas Department of Agriculture before the show each year.
10. All livestock projects must be shown by the owner of that project. All exhibits which are chosen for auction must be sold by the owner of that project using the animal exhibited, unless otherwise approved by the chairman of that division. Approval will only be granted due to illness, death in the family or disability of the exhibitor.
11. Each exhibitor may show in any of the market divisions for which they are age-eligible. However, an exhibitor may only show one entry per division.
12. Any animal found to have its physical features altered or tampered with by surgical instruments for the purpose of improving its conformation or appearance in the show will be disqualified and ruled ineligible to compete for or retain any premium. Dehorning is the only exception to this rule.

Livestock General Rules and Regulations

Continued

13. All animals at the show must be groomed and fitted for the show by the exhibitor, the exhibitor's family or members of the 4-H or FFA Chapter of which the exhibitor is a member. Any violation of this rule will cause the exhibitor to forfeit the opportunity to exhibit their animal.
14. All market (auction eligible) animals entered in the show are subject to random drug residue testing. Testing will be performed by a representative of the Texas Animal Health Commission. If evidence of drug residue is found, the exhibitor will be barred from any further or future CCYPS and all monies and prizes won will be forfeited.
15. Animals requiring CCYPS ear tags must have these tags to show. Permission to replace lost ear tags can only be given by the chairman of the division. Exhibitors have one week after the tag is lost to notify the division chairman or the Youth Project Show office.
16. No hay allowed in any barns due to fire code. Feeding and watering is permitted in all barns. (Animals may be tied out in designated areas to feed, water, and hay)
17. All animals are required to stay in the barn assigned to that animal. Animals will be fed, watered or hayed in the designated areas. All animals must be in the barn by 10 p.m. or by 30 minutes after the last show of the day.
18. Sifted animals must be removed from the grounds immediately.
19. Small Animal Showmanship classes will be broken into four age divisions: Pewee (5-8 years old), Junior (9-11 years old), Intermediate (12 -14 years old), and Senior (15-18 years old). Large Animal Showmanship classes will be broken into three categories "Jr. Int. Sr." Exhibitors participating in showmanship must use the animal that they exhibited in regular class. This rule is fine on all species except for cattle, there is no pewee showmanship for any of the cattle classes F-1 Heifers, Steers, or Breeding Beef.
20. Weight classes, auction order and other pertinent information will be posted at the North End of the Cattle Barn.
21. Exhibitors and show officials are the only persons allowed in the show arena.
22. Exhibitors in any division with unruly animals will be given three chances to control their animals. After the third chance has been given show officials may ask the exhibitor to leave the arena with their animal and be disqualified from that particular division.
23. Exhibitors who do not behave with maturity during shows will be asked to leave the arena by show officials.
24. Stall paraphernalia must be left in the stall until the completion of the auction.
25. Animals must be maintained at the home of the exhibitor. Exhibitors not raising their animals at home must provide written explanation via the enclosed Off Premises Form. The form must be submitted at the time of entry. Any violation of this rule will forfeit the opportunity to sell at auction. All exhibits are subject to on-site inspections by members of the CCYPS Livestock Committee.
26. Exhibitor's academic eligibility (House Bill 72) will be determined by the school district they attend. Enforcement of House Bill 72 is the responsibility of the school district and the exhibitor.

Continued

I further understand that if I catch a calf, I will be awarded a calf donated by a sponsor or a check not to exceed \$500. Should I receive the \$500 sponsorship, I will have the opportunity to purchase a calf which could be a purebred (beef bull, heifer or dairy heifer), grade or crossbred animal of either sex or a steer. However, I understand that the scramble calf must be a breeder animal or a steer.
