Applicable Standards

1. Fire Code: IFC 2021 & Chambers County Fire Code Amendments
Building Code: IBC 2021
2. A building permit will not be granted for commercial buildings, public buildings, or multi-family dwellings of four or more units until this document is completed and reviewed by the County Fire Marshal, and applicable fees are paid.
3. Once construction is complete, a request for final inspection must be made to the Fire Marshal and a Certificate of Compliance must be granted in order to occupy the building.

Please complete the section below and indicate plan page numbers where applicable. These items have to be verified in order to complete the review. Please ensure each item is addressed.
