

EMPLOYMENT OPPORTUNITY

Job Title:	Licensed Vocational Nurse (LVN)
Department:	Health Services
Annual Salary:	\$49,890.36-\$57,837.09
Application Period:	April 27, 2023 - Until Filled

Summary of Position:

Performs professional nursing work by completing the daily operations and activities of Health Services Programs, including Public Health Programs (Clinical Health Services, Communicable Disease Program, Community Health Program, Public Health Emergency Preparedness and Response (PHEPR) Program, Employee Health and Wellness Program, and Jail Medical Program). Primary duties included daily clinical nursing work related to Immunizations (Texas Vaccines for Children (TVFC), Adulty Safety Net (ASN), First Responder Immunization Program, Flu Immunization Program, and Disaster Immunization Response including COVID-19); and direct patient care duties (under the direction and supervision of Medical Provider) through the Health and Wellness Center. Duties include direct patient care, immunization and medication administration, phlebotomy, Sexually Transmitted Infections (STI) testing, other Communicable Disease testing and follow up (including Tuberculosis (TB), scheduling, data entry, face to face and phone interaction with patient and the general public and counseling patients on a variety of healthcare topics. Works closely with public health and health services staff, and with the Department of State Health Services (DSHS) for accurate and timely completion of work assignments (including local, regional, and statewide planning efforts). Follows all Health Services policies and procedures, as well as local policies.

KNOWLEDGE/SKILL/ABAILITY AND REQUIREMENTS:

Knowledge of: professional nursing techniques and procedures within LVN scope of practice, immunizations schedules, and all local and DSHS records retention

Skill/Ability to: deal with patients in a non-judgmental and empathetic manner; demonstrate proficiency in both oral and written communication; understand and follow written and oral instructions; work independently; analyze and interpret medical data;

maintain complete accurate records as required; establish and maintain effective working relationships with patients, departmental employees, DSHS representatives, Healthcare Providers, health care facilities, and the general public; and maintain appropriate necessary training, certifications, and licensure. Bilingual in English/Spanish is preferred but not required.

- Must possess a valid Texas Driver's license.
- Must maintain appropriate and necessary continuing education requirements for LVN Licensure.
- Must complete NIMS/ICS Training within 90 days of employment.
- Must possess and maintain current CPR certification.
- Must complete other trainings as assigned.

EXPERIENCE AND TRAINING:

Licensed by the State Board of Nursing in Texas

Graduation from an accredited school of vocational nursing, plus as least two years of clinical experience as a practicing nurse; at least one year in public health, immunization, and office nursing preferred;

or any equivalent combination of experience and training which provides the required knowledge, skills and abilities.

Any applicant conditionally selected for this position will be required to submit to a physical and drug testing, before commencing employment
