

Press Release

OFFICE OF THE COUNTY JUDGE

Chambers County, TX – March 20, 2020

Chambers County Commissioners Court has been cancelled for Tuesday, March 24, 2020. At this time I feel that due to the risk of COVID-19, and limited County business slated for the upcoming Court Agenda, that it is best to cancel and not put the public or others at risk.

Hopefully soon this crisis will pass and we will be able to resume business as usual. Meanwhile, please follow the CDC recommended guidelines and take measures to keep yourself and your families safe and well.
