

# COVID-19 INFORMATION

Chambers County, Texas

Issue Date: March 31, 2020

#STAYHOMECHAMBERS

## Public Health Department Updates

- If you have mild cold symptoms, please monitor the severity. These are not typical of COVID-19. If they persist or worsen, call your Healthcare Provider.
- If your symptoms are severe, visit the Emergency Room (please call ahead) or call 911
- The CDC website now has a **symptom checker** for the most common COVID-19 symptoms
- Symptoms may appear 2-14 days after exposure. The most common are fever, cough and shortness of breath
- Multiple facilities in Chambers County are testing for COVID-19 but you must meet the criteria to be tested

## General COVID-19 Information and Procedures

- Once tested for COVID-19, Chambers County residents are put in mandatory quarantine and are not out in public
- If a test comes back positive, the Public Health Epidemiology team performs case investigations and "contact" tracing to identify individuals that the patient has come in contact with
- **Those who are identified during case investigations to be at risk** are contacted
- These tasks are performed year round, not just during a pandemic. Public Health's goal is to protect each citizen and prevent further spread of COVID-19 in Chambers County
- **The privacy of patients is important. This is not their fault.**
- We do better working together by staying apart. Please do your part in social distancing. This helps slow the spread.
- New case counts will be posted daily at 5 p.m. on the Chambers County COVID-19 webpage.
- Chambers County **is not** hosting a drive through clinic at this time. The State has NOT allocated supplies for this.
- **If you were tested for COVID-19 in another jurisdiction, County or at a drive-through testing facility please call 409-267-2731 to notify Chambers County Public Health.**

## County Updates

Per Executive Order from County Judge Jimmy Sylvia, the following mandates are currently in place:

- All individuals residing in Chambers County are ordered to stay at their place of residence except for Essential Activities
- All businesses operating within Chambers County EXCEPT those identified as essential are ordered to cease operation
- It is a crime for a person to sell any goods or services for more than the price the person charged for the goods or services on March 12, 2020 in ANY area within Chambers County. Price gouging should be report to the Chambers County Sheriff's Office at 409-267-2500
- Only one person per family is permitted to enter grocery stores at a time, except in extraordinary circumstances
- Food service establishments, convenience stores and other retail establishments selling food or drink shall not allow customers to self-serve ready to eat food or drink including buffets, beverage dispensers and customer self-service stations

See the Judge's Executive Order on the Chambers County website at [co.chambers.tx.us](http://co.chambers.tx.us) for more information and specific details.
